MEMORANDUM FOR : Special Agent in ChargeSUBJECT : Project RESISTANCE  
#533 989 1SD/1

1. Headquarters is Office of Origin.
2. The above captioned Subject is currently of sensitive interest to the Director of Security.
3. Reference is made to the original correspondence on this case forwarded to all field offices on 11 December 1967 via TWX requesting information pertaining to campus protests and demonstrations. As a result of the referenced request, considerable information has been received at Headquarters. This necessitated the establishment of a Special Unit within the Special Activities Division which receives, screens and reports on the critical materials, on a national basis, to the Director of Security.
4. Due to the current activities in the Washington, D. C. area, the Director of Security must be provided the latest information which might indicate a threat to the buildings housing the personnel of this Agency or any threats to Agency personnel. Therefore, you are requested to telephonically advise the Special Activities Division at Headquarters of any information received by your agent personnel or information received through your informants regarding the plans, activities, demonstrations, or personalities involved in the Poor People's Campaign. We are particularly interested in Black Power Militant personalities and groups.
